## REMEMBRANCE STARS AND POSTERS

Available from the Office of the Associate Vice President for Diversity, 204 Park Building, 201 S. Presidents Circle (801-581-7569)

On campus yellow cloth stars will be distributed to students, faculty and staff as well as available to community members to commemorate the identity badges that have been imposed on Jews throughout history. In Nazi-occupied Denmark, the underground produced replicas of the Nazi-imposed badge, which read "Jews and non-Jews stand united in their struggle".

*All 2011 Days of remembrance events (except the workshop taken for credit) are free and open to the public. For more information, call 801-581-7569 or visit <http://www.diversity.utah.edu>*

Nancy Tessman Auditorium

**"A FILM UNFINISHED"** directed by Yael Hersonski

The film presents the raw footage of a film shot by the Nazis in Warsaw in May 1942, partly including fictionalized sequences falsely showing the "good life" enjoyed by Jewish residents. The film probes deeply into the making of this infamous Nazi propaganda film.
