## **We are hiring for our 2024 Summer Internship Program!**

Zions Bank recognizes that its success comes from the dedication, experience and talents of its diverse employee base. As we build upon our 150-year legacy and usher in the next generation of banking, we're committed to being the premier employer of choice. We're proud to have ranked among American Banker magazine's "Best Banks to Work For" almost every year since 2013, as Best Employer from Utah's Best of State, among the Best Places to Work in Idaho, and "among the Salt Lake Tribune's Top Workplaces. Make the leap into a new era of banking. Let us transform your career.

Work closely with members of the community by helping them build a better financial future. You'll become a banking expert and guide clients to products and services that will improve their everyday lives. You will also be working with employees who are there to support you, your family, and your career aspirations. Take your first step in your banking career and gain invaluable insight into our operations, procedures, and abilities that make Zions Bank one of the premier banking institutions in the west. We look forward to having you join the Zions Bank family!

For this internship, you will be a part of a cohort program called 'HBCU IMPACT'. This program is a partnership with the University of Utah where you will be connected with other HBCU students who are interning at various companies in Utah for the summer. The University of Utah will house students in campus dorms at the Lassonde Studios, plan workshops to enhance their professional skills, and coordinate weekend activities that expose students to Utah's unique culture. For more information on HBCU IMPACT please visit <https://diversity.utah.edu/hbcu-partnerships/impact/>

## **Banker Development Program Summer Intern**

Zions Bank's Summer Internship Program is designed to provide college students with an opportunity to gain knowledge, experience, and exposure in the banking industry.

Interns will be assigned to a specific lending group for the duration of the program. Examples of these departments are:

- Commercial Banking
- Real Estate Banking Group
- Corporate Banking
- Technology Lending
- Retail Banking Administration
- Private Banking
- Specialty Loan Servicing

Duties include but are not limited to:

- Conducting industry research
- Preparing client prospect lists
- Scheduling appointments with prospective clients
- Assisting with credit presentations
- Observing the process of spreading financial statements and underwriting loans

The internship experience also includes networking events with executives and other managers around the Bank, professional development and training sessions, deal discussions, overviews of various areas of the Bank, and volunteer opportunities.

The combination of hands-on assignments, programmed trainings, and events provides each intern with a well-rounded summer experience.

The Internship is a paid position. As part of the IMPACT program, Zions also provides flights to/from Salt Lake City and housing at the University of Utah, free of cost to the intern.

## **QUALIFICATIONS**

Zions Bank targets high-potential students who have a demonstrated work ethic, strong leadership and interpersonal skills, and campus / community engagement.

- Undergraduate business major, finance or accounting preferred
- Minimum overall GPA of 3.0
- Must have completed 6 hours of accounting courses
- Must have completed junior year undergraduate work by May prior to start of the internship
- Must be scheduled to graduate the December or May following completion of the internship
- Must be able to work 40 hours per week, between the second week of May through the second week of August

**\*\*\*Please attach a RESUME and an unofficial TRANSCRIPT, showing all accounting courses taken, to your application. Include GPA on your resume.**

*Zions Bank's Internship and Banker Development Program positions are not eligible for employment visa sponsorship (e.g., H-1B visa). This includes, for example, situations where a candidate may have temporary work authorization while enrolled in school or upon graduation (e.g., CPT, OPT) but would need H-1B visa sponsorship within a few years of employment in order to maintain employment eligibility.*
